

# Mineral Resources Review 2024

CONFERENCE AND EXHIBITION

## **CIM NL Branch Annual Awards**

Do you know an individual, a Company or a group that deserves recognition for their contributions to the Mining Industry? Nominate them for an award!

Our industry is built on many creative and energetic individuals and companies. Each year, the Newfoundland and Labrador Branch of the Canadian Institute of Mining, Metallurgy and Petroleum invites nominations for annual awards in the categories of: Developer / Miner, Prospector / Explorer, Service Provider, Geoscientist, Environment and Social Responsibility.

Awards will be announced at the Mineral Resources Review 2024.

Mineral Resources Review 2024 will be held from November 5th to 8th, 2024, at the Delta Hotel in St. John's, NL. The Newfoundland and Labrador mining sector has been garnering global interest and investments, propelling the undeniable growth of Mineral Resources Review. We eagerly anticipate your presence among the expected 700 delegates and 100+ exhibitors at Atlantic Canada's largest conference of its kind — an event that stands at the forefront of the nation's mining and mineral exploration scene. Be a part of this influential gathering and nominate a colleague or company for an award!

Nominations will be accepted until end of day October 11th, 2024 and can be sent to both Len Manville ([Imandville@cim.org](mailto:Imandville@cim.org)) and Paul McNeill ([pmcneill@signalgold.com](mailto:pmcneill@signalgold.com)).

## **CIM NL Branch Annual Awards**

### **Developer/Miner of the Year Award**

The Award is presented to a company, team or an individual that has made significant progress in advancing a mine or mine expansion toward production, or for innovation in the Newfoundland and Labrador mining industry.

The Award will be presented for recent achievements. Nominations will be valid for two years.

### **Prospector/Explorer of the Year Award**

The Award is presented to a prospector, exploration team, or company that has made a recent and significant mineral discovery; or significantly enhanced a prospect or deposit; or identified a previously unrecognized prospective geological environment in Newfoundland and Labrador.

The Award will be presented for recent achievements. Nominations will be valid for two years.

Len Mandville T (709) 765 3695 [lmandville@cim.org](mailto:lmandville@cim.org)

## **CIM NL Branch Annual Awards**

### **Service Provider of the Year Award**

The Award is presented to a service provider or team that, through development and innovation of the services it provides, has significantly contributed to more efficient or effective exploration, or commitment to community or improvements in mining operations in the province.

The Award will be presented for recent achievements. Nominations will be valid for two years.

### **Geoscientist of the Year Award**

The Award is presented to a geoscientist or team whose work in the province is in use, and has contributed significantly to either: improved regional or detailed exploration models or techniques; a new mineral discovery; or a significant expansion to a known ore body in the province.

The Award will be presented for recent achievements. Nominations will be valid for two years.
